# Introduction

SHERPA Miniloaders is one of the leading manufacturers of employee-friendly (road) construction, demolition, agriculture and landscaping equipment in Europe.

As an innovative developer of the SHERPA Miniloaders and other advanced building equipment, especially for the pavement sector, we have been working hard to provide our customers and dealers with a complete labour-relieving program.

Our SHERPA Miniloaders are designed in such a way that everyone can work with them. Heavy and difficult work belongs to the past when you make use of our machines and tools.

You're investing in a healthy and productive future of your employees with equipment, tools and miniloaders from SHERPA!

# APPENDIX 1

## HYDRAULIC ATTACHMENTS

Do you already own a machine? You may need a different hose set than the one we mount (standard) on your attachment. View table 1 below. Which column contains the serial number of your current machine?

(Tabel 1)

	COLUMN 1	COLUMN 2
	to	from

### TYPE MACHINE

SH100 Petrol	01HA	2004054	2004055
SH100 Diesel	D1HA	200151	200152
SH100 Agri	A1HA	2001040	2004041
SH100 Small	S1HA	2001032	2004033
SH100 ECO	E1HA	200397	200398
SH100 2-SPEED	1VHA	2001023	2001024

Below you will find all our hydraulic attachments for the SHERPA 100 and 150. You can find the right hose set, by looking up the attachment in the table below. Then choose the type SHERPA (100 or 150) and the column (1 or 2). This will lead you to the right hose set.

	Article description attachments	Type model	Column (see table 1)	Article number of hose set
